

## **CSR Projects Approved by the Board for the Financial Year 2021-22**

### **A. Background**

Reliance Gas Pipelines Limited ("the Company") believes that Corporate Social Responsibility ("CSR") extends beyond the ambit of business and strives to focus on a broad portfolio of assets - human, physical, environmental and social. Keeping the same in view, the Company has been undertaking various CSR activities every year. During the financial year 2020-21, the Company spent Rs. 62,10,000 towards Promoting Education.

The Company's CSR Policy and initiatives outline the vision, mission, areas and key requirements as per Schedule VII read with Section 135 of the Companies Act, 2013 ("the Act"). These initiatives are implemented by the Company through Reliance Foundation, a company within the meaning of Section 8 of the Act.

Reliance Foundation (RF) was set up by Reliance Group in 2010 as an expression of its vision towards sustainable growth in India. It has taken the path of inclusive development to address the basic needs of the vulnerable sections of the society. The Foundation has cumulatively touched the lives of 4 million people in over 5000 villages and various urban locations. The Foundation works with some of the most vulnerable and marginalized communities across India, with the objective of integrating them into mainstream development process of the country.
